June 2, 2015

Company:
Northwest Asphalt, Inc.

Amount of Quote or Bid:
\$739,812.35

Recommended Quote or Bid:
Northwest Asphalt, Inc.

\$739,812.35

General Information:

Please recall that on Mar. 3, 2015, council approved contract ENG 15-3, except for the bridge replacement portion, to allow staff to seek funding for the bridge. On Apr. 21, 2015, staff received notice that the City was approved for a grant of \$318,941 from Mn/DOT's Local Bridge Replacement Program.

In addition to replacing the bridge over Minnehaha Creek, the 54th Street project also includes reconstruction of the roadway bituminous pavement and concrete curb and gutter; a sidewalk on the north side of the street adjacent to the concrete curb and gutter; roadway widths will vary from 26-ft to 38-ft with continuation of advisory bike lanes east of Minnehaha Creek; and upgrading existing utility infrastructure systems including storm sewer, water, sanitary sewer, and cobra-head lights to decorative lights.

Staff recommends awarding the bridge portion of the project to Northwest Asphalt, Inc.
